Living Cost Up 6.1 Per Cent

As You Suspected, Prices Skyrocketed

WASHINGTON (AP) — Americans in 1969 paid more for everything from houses to hamburger in the worst inflation in 20 years, the government said in reporting a 6.1 per cent rise in living costs for last year.

And some 45 million rank-and-file workers were caught in the squeeze of rising prices and a slowing economy under President Nixon's efforts to combat inflation, losing more purchasing power than they gained in pay, Monday's report said.

"For 1969 as a whole, increases in consumer prices eroded all of the gain in earnings," the Labor Department said in reporting that average pay of \$17.25 a week last month was up \$6.87 over the year but worth \$7.15 less in the market place.

Groceries Soar

A big December grocery price rise of 1.6 per cent, accounting for half the month's rise in living costs, wound up 1969 food

price hikes at a total of 7.2 per cent.

Hamburger at 64.2 cents a pound was up 12.3 cents or 24 per cent over the year, eggs at 77.9 cents a dozen were up 11.5 cents or 17 per cent, lettuce was 9.8 cents or 31 per cent a head higher at 40.8 cents and milk was 2 cents or 3.6 per cent higher per half-gallon over the year, said the Bureau of Labor Statistics.

Meat and bread also were higher, said the bureau.

"The costs of services associated with home ownership continued their upward trend," rising five-tenths of one per cent in December for a 6.7 per cent hike in housing costs for the year, it said.

Clothing and transportation

were up 5.2 per cent each in 1969, medical care rose 6 per cent and recreation 3.8 per cent.

The December hike in overall living costs pushed the Consumer Price Index up six-tenths of one per cent to 131.3 per cent of its 1957-59 base.

The index figure means every \$10 worth of typical family living costs 10 years ago cost \$13.13 last month, 76 cents more than in 1968.

The 6.1 per cent rise in living costs for the year, highest for any 12-month period since November 1950, to November 1951 when Korean War wage-price controls were imposed, clipped more than 6 cents off the value of the 1968 dollar, and reduced the value of the 1957-59 dollar to 76.2 cents.

New DNR May Revamp U.S. Resource Role

WASHINGTON (AP) — Several senators say President Nixon may seek a new name and role for the Interior Department as the chief depository for the nation's environment and natural resources protection programs.

The motive would be more centralized direction of the fight against pollution and destruction of natural resources, the senators, both Republicans and Democrats, said.

But some Senate critics of the administration suggested the Nixon proposals may only be dramatic window dressing to attract favorable public attention without the spending of the billions of dollars they say are needed to cleanse the nation's polluted air and water.

New DNR

Consultants working for the Public Land Law Review Commission issued a report last week including a proposal to create a new Department of Natural Resources that would enlarge the duties of the Interior Department.

This would include the transfer of the Forest Service, currently a part of the Agriculture Department, to the new Department of Natural Resources.

Sen. Frank E. Moss, D-Utah, said he got clear indications of a revamping of the Interior Department in recent conversations with Interior Secretary Walter J. Hickel and other ranking administration officials.

He said both the White House and the department had asked him for copies of his bill which would convert the Interior Department into a Department of Natural Resources and Environment.

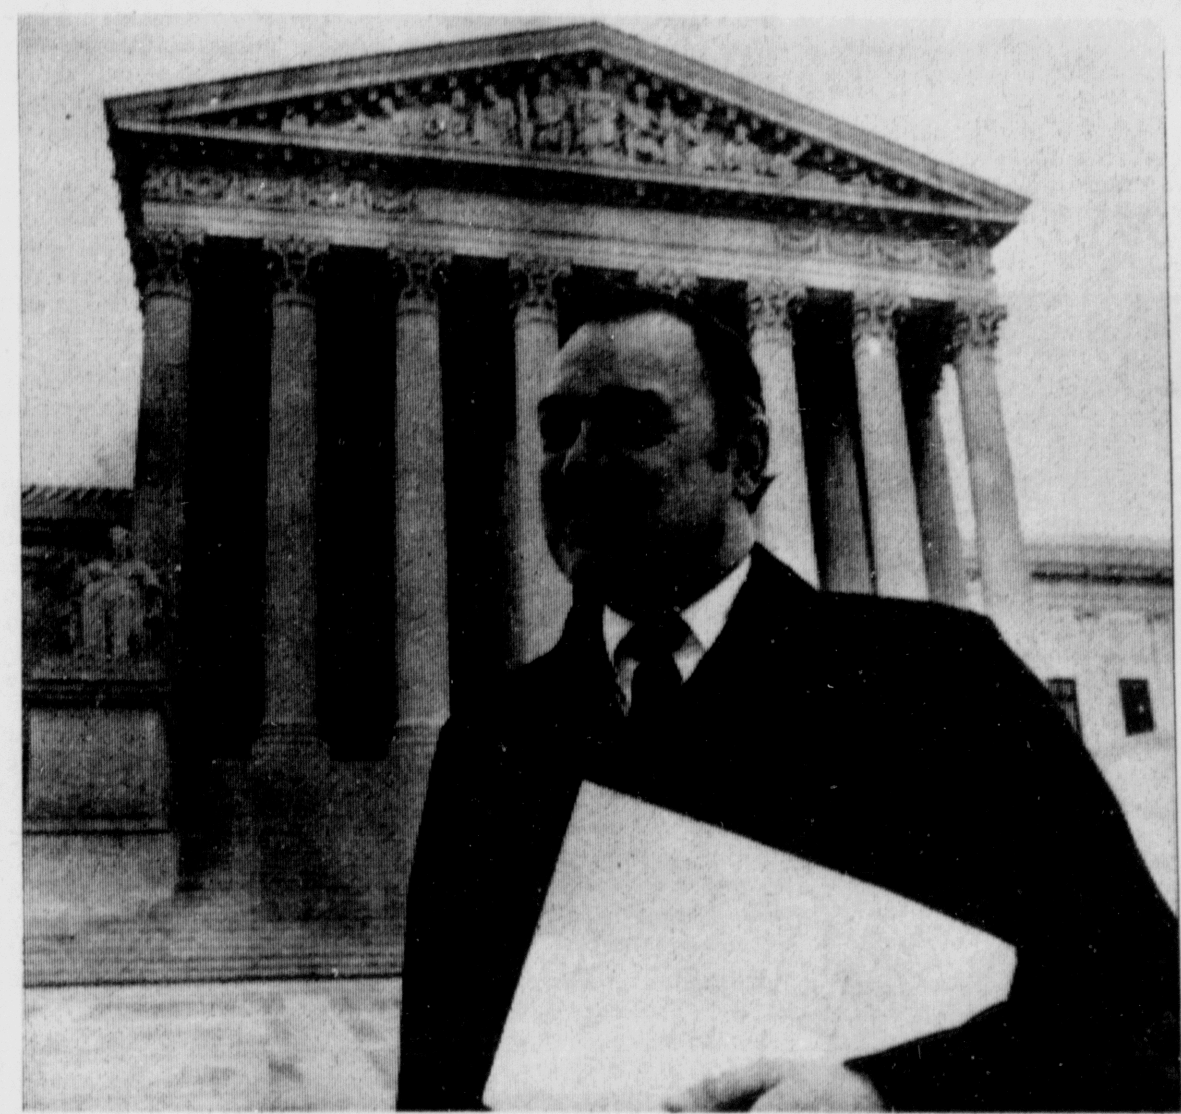

Being Considered

The Moss bill would call for a complete transfer of environmental and resources activities into the department and the removal of such responsibilities as jurisdiction over Indians and the territories.

Republican Leader Hugh Scott, confirmed a Cabinet-level department is being considered.

But he said no final decision has been made and said the President might decide to create a commission or lesser agency.

GOP Leaders Quickly Back Court Nominee

GOV. CLAUDE KIRK of Florida stands before the Supreme Court building in Washington Monday after personally delivering a motion on the court's desegregation order. The governor says he is directing the state's school districts not to abide by the court order which calls for desegregation by Feb. 1. He told the court that Florida could not accomplish the scope of desegregation ordered in the time allowed. (AP Wirephoto.)

Ethics Question On Carswell Explored First

WASHINGTON (AP) — The Nixon administration, working hard to smooth the way for Supreme Court nominee George Harrold Carswell, sent Atty. Gen. John N. Mitchell to Capitol Hill as an advance man to forestall ethics questions.

Hours before Judge Carswell himself was told by the President he was his choice and hours before Monday's public announcement, Mitchell was closeted with top Republicans, displaying financial statements to show there would be no Haynsworth-like problems.

Rally Quickly

The information in hand, GOP leaders were able to rally quickly behind the Floridian when White House press secretary Ronald L. Ziegler made the selection public in mid-afternoon.

Sen. Roman L. Hruska of Nebraska, senior Republican on the Judiciary Committee, which begins hearings on the nomination next Tuesday, was able to tell reporters approvingly that Carswell has had "a minimum of business dealings" since he entered public life as a U.S. attorney in 1953.

And GOP Senate Whip Robert P. Griffin of Michigan, a Republican who fought Nixon's nomination of Judge Clement F. Haynsworth Jr. to the same seat, said: "The reports thus far have been very favorable and I hope the Senate will be able to confirm the nomination without delay."

Worth \$200,000

The Haynsworth nomination failed partly because of a series of ethics allegations leveled at the South Carolina Judge. Many of the charges appeared to take the administration and GOP Senate leaders by surprise.

Carswell, 50, in a news conference at his home north of Tallahassee, said: "I have my home and a few parcels of real property I inherited from my father and my grandfather."

Hruska said the judge and his wife have a net worth of about \$200,000. Hruska said their assets include some Georgia timberland and an interest in the Alberta Box and Crate Co.

The senator said with three children attending college Carswell has a mortgage on his home.

Racial Rulings

Examination of the judge's judicial record showed he ruled against airport and barbershop segregation in Tallahassee, but also ruled against attempts to force the integration of swimming pools and theaters in the city.

In the 1965 swimming pool ruling, Carswell said closing the facilities following a "wade-in" by blacks "may seem tragically absurd but such decision is clearly under the law a function and responsibility of the elected public officials."

Since neither whites nor blacks could be served by closed pools, he reasoned, there was nothing discriminatory about the city's refusal to provide facilities.

Born In Georgia

Within the U.S. Judicial Conference, Carswell has supported efforts to set new standards of ethical behavior for judges and to have them disclosed their finances.

A Georgia-born Democrat who became a Republican in 1952, Carswell was appointed chief judge of the U.S. district court in Tallahassee in 1958 by President Dwight D. Eisenhower.

Nixon, who was Eisenhower's vice president and with whom Carswell remembers shaking hands at a reception, elevated the judge last spring to the U.S. Court of Appeals in New Orleans.

Now Carswell is being catapulted by the Republican President to the Supreme Court. At 50, he would be the youngest justice and often the key vote between the four-man liberal team of Hugo L. Black, William O. Douglas, William J. Brennan Jr. and Thurgood Marshall and the four-man conservative team of John M. Harlan, Potter Stewart, Byron R. White and Warren E. Burger, the chief justice.

Bargains Might Not Be Bargains

WASHINGTON (AP) — When a housewife goes to market she often finds the food specials cost more than advertised or may not be there at all, the Federal Trade Commission says.

The FTC investigation last summer of 137 stores belonging to 10 food chains in San Francisco and Washington showed a "total of 11 per cent of the advertised items in the two cities were found to be unavailable, and only eight of the 137 stores checked had every advertised item available."

"The findings were released as the FTC opened hearings today on a proposed commission rule to require food markets to specify what stores have the bargains, and that specials go at the advertised price or below."

Supporters of the rule and consumer groups were scheduled for the early part of the hearings. The chains and their trade associations will appear in a March session.

On pricing, the FTC found 8 to 9 per cent of the items mispriced compared to the ads, and:

"In a very substantial majority of the instances of deviations, the prices marked on the items were higher than the advertised prices."

Biggest Band Secures Buoy

SANTA BARBARA, Calif. (AP) — What's 35 feet long, one inch in diameter, made of rubber and holds a weather buoy in place?

Right. The world's biggest rubber band—or, more correctly, four of them—anchoring the floating Pacific Missile Range weather station 10 miles northwest of Santa Barbara Island.

More conventional anchoring methods allowed the buoy to turn in place, prohibiting accurate monitoring of weather conditions.

Oceanographic engineer Fred Roehler of PMR's Geophysics Division toyed with several ideas before the right one snapped into place.

"The buoy had a tendency to rotate when moored," Roehler said, "but the rubber bands under strong tension were a restoring force." They stretch 700 feet to the ocean floor.

Roehler isn't concerned about the prospect of the rubber bands snapping. "It's air and sunlight that deteriorate rubber," not salt water, he said.

Nation Shivers In Arctic Blast

By The Associated Press — Bone-chilling cold clung to most of the nation from the Great Plains to New England today and drove temperatures below freezing across a large part of the South.

The second widespread outbreak of arctic weather in three weeks held temperatures below

and eastward into Michigan before daybreak. Readings in the minus teens penetrated south into central Indiana.

Williston, N.D., registered —25. It was —17 in Lafayette, Ind., —21 at Pellston, Mich., and —12 at Peoria, Ill.

The cold also extended over much of the interior northeast. Snow fell on the Central Plains and ranged eastward into Missouri. Freezing rain glazed scattered areas in the lower Mississippi Valley.

Wind and rain swept some coastal sections of the Pacific Northwest and turned to snow in the northern Rockies.

Some early morning reports: Boston 12 clear, New York 18 clear, Philadelphia 15 clear, Washington 24 partly cloudy, Atlanta 32 cloudy, Miami 61 clear, Detroit 7 clear, Chicago —7 partly cloudy, Minneapolis-St. Paul —15 clear, St. Louis 9 cloudy, Kansas City 9 cloudy, Dallas 28 clear.

Denver 26 partly cloudy, Phoenix 49 partly cloudy, Los Angeles 57 partly cloudy, San Francisco 59 cloudy, Seattle 48 cloudy, Anchorage 12 cloudy, Honolulu 74 partly cloudy.

Cold Continues

Very cold temperatures are expected again tonight in the Escanaba area with a low of about 15 below zero, the U.S. Weather Bureau reported. The low last night was eight below zero with a high Monday of six above.

zero around the clock in the Dakotas, Minnesota, Iowa and Wisconsin.

The mercury failed to rise above —10 in many communities at midday Monday, then fell even lower after sundown.

Although some moderation occurred in the northern plains, readings of 20 below zero, ranged all across the Dakotas

TIPPING HER CAP from sunny, summering Australia is Pam Swarbrick, who appears to be enjoying the warm weather "down under" at Perth, Australia, while most of the United States is bundled up in below zero weather. (AP Wirephoto.)

Sky's The Limit In February Military Draft

WASHINGTON (AP) — In January the draft tried to call only lottery numbers under 30; but for February, the sky—or No. 366—is the limit.

A spokesman said the Selective Service System has decided not to impose, or even suggest, any upper limit to the draft lottery numbers which may be called to meet the February draft quota.

Asked whether a pace-setting ceiling might be reinstated in the future, he said it appeared doubtful.

But Gen. Lewis B. Hershey, who has headed the draft system since 1941, will be replaced Feb. 16, and his still-unnamed successor could alter the plans.

Last Dec. 1, a lottery drawing was held matching the birthdays of the nation's draft-age men with a chart of numbers from one to 366—one for each day of the year including Leap Year's Feb. 29.

Draft boards were to meet their calls by summoning men with the lowest numbers first—

within each board's individual pool of men.

But this raised the possibility that local conditions might force some boards to call relatively high numbers up the list while others were still calling low ones.

Such a result would have been consistent with President Nixon's order of a draft-by-lottery, but White House, Draft, and Pentagon officials concluded the public expected the numbers to rise at a more uniform pace

within each board's jurisdiction, a draft official recently explained.

Besides, an unrestrained race through the list each month threatened to have a local board calling lower numbers in one month than it had called earlier, as deferred men re-entered the 1-A eligible pool.

As a result, Selective Service manpower officials suggested to the White House last month state directors should try to keep the numbers level as they

distribute the monthly draft quotas among local boards.

In a round of telephone calls, state directors were further told that No. 30 would be a good limit for the January call—if the call could still be met within that ceiling.

Spokesmen said then the intention was to see whether such a smoothing-out would work. Results of the attempt are not yet available and probably won't be, until at least the end of the month, a spokesman said.

Without any guideline, state directors and local boards are free in February to call up the men they need without regard to how high they must go up the lottery list, or whether local boards must call widely varying lottery numbers.

On the whole, either method should arrive at about the same result over the entire year, since the law requires draft quotas be distributed to states and to local boards in proportion to the size of their respective draft pools.

Sorry About That! Gourmet Pays

BOZEMAN, Mont. (AP) — The Montana State University food service department says it has found someone with a conscience bigger than his stomach.

A letter with \$5 enclosed recently was delivered to the department.

"To get this off my mind and in order to feel better," the anonymous correspondent explained, "I am returning in cash

the value of food I had burgled two years ago.

Taken by the guilt-ridden gourmet were two loaves of bread, one pound of ham, one quart of ice cream, one box of shrimp and a jar of pickles.

"I am sorry for this unwarranted wrongdoing," he concluded.

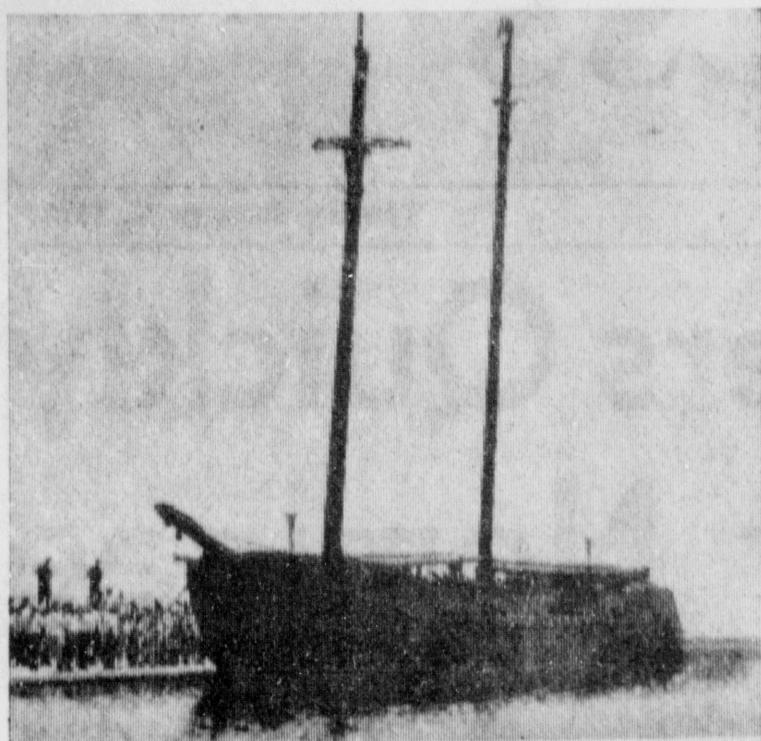

"Whoever you are," said acting MSU President William A. Johnstone, "you are forgiven."

Today's Chuckle

Sign on a store which went bankrupt after two weeks' business: "Opened by mistake."

Weather

ESCANABA AND VICINITY—Variable cloudiness and continued very cold today, tonight and Wednesday with periods of light snow. High today 6 above. Low tonight near 15 below zero. High temperature Monday 6 above. Low overnight 8 below zero. Thursday's outlook — mostly cloudy and not so cold.

THIS IS THE SHIP that was raised from the bottom of Green Bay, where she sank more than 100 years ago in a storm off Chambers Island. The vessel is pictured at Menominee shortly after she was brought up from 110 feet of water. Now she is in treatment storage to dry her out and preserve her timbers.

RUFUS SPAULDING of Kates Bay near Garden was honored by the Delta County Historical Society for his services, and was presented with an honorary life membership by Mrs. Clint Dunathan, Society president, (Daily Press Photo)

Believe Mystery Ship Will Sail Again

The saga of the mystery ship from 19 fathoms, covering a two-year effort that involved many people and the hazards of diving more than 100 feet to the bottom of Green Bay, was told to the Delta County Historical Society's annual dinner meeting at the Terrace Monday night.

The speakers were James L. Quinn, director, Neville Public Museum, Green Bay, who participated in the recovery of the 19th century sailing ship, and Frank Hoffmann of Menominee, formerly of Egg Harbor, Wis., who discovered the wreck and directed its successful salvage as the most significant marine relic in America today.

Mrs. Clint Dunathan, Historical Society president, conducted the meeting and the speakers were introduced by Clint Dunathan of the Society's program committee. Two hundred and fifty-seven persons attended, a record for the Society's annual meeting.

May Be Clark

Although the 105-foot craft continues to be called the "mystery ship" because she has not been definitely identified as yet, the vessel is presumed to be the schooner Alvin Clark, which was built at Trenton, Mich., in 1846 by John Preston Clark of Detroit.

The Clark was lost in a gale off Chambers Island in Green Bay on June 29, 1864—and human eye was never to see her again until Hoffmann discovered the wreck while diving to clear fishing nets from it in November, 1967.

Hoffmann, SCUBA diver, former construction worker, owner of a resort at Egg Harbor, explored the vessel. Slowly he descended—40 feet, 50 feet—the water lost its green color and became increasingly dark—and there resting almost upright on the bottom at 110 feet he found the vessel intact.

His confidence in his ability to successfully raise the boat and float her again gained the enthusiastic support of other divers, including Jim Quinn of the Neville Museum.

Village And Museum

Twelve months of diving by many men over a 2-year period, plus the help of marine firms

such as the Marinette Marine Corp. and the Derushas of Marinette and the Gallagher Marine and Don Bichler of Escanaba, brought the ship (after 105 years beneath the surface) to the top again on July 29, 1969.

Now the vessel is at Marinette where she has been covered and her drying out is carefully controlled to assure she will not be damaged. Then preservatives are to be used to keep her sturdy oak plank from further deterioration.

Hoffmann heads the mystery ship organization that is sponsor of a development project in Menominee that hopefully will attract 100,000 visitors the first year.

The intent is to construct an 1850's village around the mystery ship in an area of about 12 acres on the bay shore a few blocks off U. S. 41. There will be a museum, a theater, shops,

and the ship itself as the center of attraction.

National Attention

Described as a "true treasure of the Great Lakes," the mystery ship has gained national attention. Howard I. Chapelle, senior historian, the Smithsonian Institution, Washington, D. C., wrote Hoffmann: "Your recovery of the schooner is of far greater importance than a few gold coins and hull fragment of some supposed 'treasure ship.' In your find we will now be able to put together in a great part the real, work-a-day craft of the past."

The mystery ship, which Hoffmann believes can be restored, rigged and sailed again, has been called "the oldest floating cargo ship in the United States."

Quinn, summing up the professional historian's dedicated approach, said: "In our opinion, the ship is the most important artifact ever to be recovered from the Great Lakes and it must be preserved for generations to come."

At its annual business meeting the Historical Society heard reports and elected officers for the ensuing year. Re-elected were Mrs. Clint Dunathan, president; Mrs. Robert Mosenfelder, vice president; Mrs. Luther Barrett, secretary; Erling Arntzen, treasurer; and a board of directors that includes representatives from many areas of Delta County.

Briefly Told

A course in the teaching and training of children in religion begins Thursday at 1:30 at the St. Joseph Catholic Church in Foster City. The course is open to all parents and teachers in the C.C.D. program are especially urged to attend. Sisters Ann and Jean, School Sisters of Notre Dame now stationed at Spaulding, will conduct the course.

Delta Lodge 195, F. & A.M., will hold a special communication at the Masonic Temple at 7:30 p.m. Wednesday for work in the F. C. Degree. Lunch will be served. Visiting Masons are welcome.

An art exhibit featuring the paintings of Tom Beauchamp are on display at the Escanaba Public Library this week.

Bark River-Harris PTA will meet at 8 p. m. at the school. The program will be presented by the Hi-Y boys and will include slides taken on their trip to California.

The Pine Ridge PTA met at 8 p. m. Thursday at the school and following the business meeting, Frank Opolka of the DNR presented a film on water pollution entitled: "Water (Your Life)."

Ferry Service Stoppage OK'd

MENOMINEE — The Interstate Commerce Commission (ICC) announced Monday that it had given the Ann Arbor Railroad permission to discontinue ferry service between Menominee and Frankfort.

Federal Trial Examiner James Moran, who conducted hearings in the case last September, said that the service was operated at a substantial loss to the parent firm, the Detroit, Toledo and Ironton Co. (D, T and I).

He said testimony showed that the Ann Arbor was \$4.75 million in debt to the D, T and I by July, 1969.

Moran agreed with the objections of Menominee industrial and civic leaders who said that freight rates would increase, but said that other means of transportation were available.

The Ann Arbor Railroad will continue service from Frankfort to Manitowoc, Wis. and Kewaunee, Wis. A spokesman said port costs were 10 times lower in Manitowoc than in Menominee and three times lower in Kewaunee than in Menominee.

Ferry service between Menominee and Frankfort could include as many as 24 freight cars plus autos and passengers.

TOP MARINE STORY of the Great Lakes, recovery of the mystery ship from Green Bay, is discussed by (from left) Dr. Harry Kelsey, Lansing, director of the Michigan Historical Commission; Frank Hoffmann, Menominee, who discovered and directed the recovery of the ship; Dr. Herbert Brinks, Ann Arbor, director, Historical Society of Michigan; and James Quinn, director, Neville Public Museum, Green Bay. They conferred at the Delta County Historical Society's dinner meeting Monday night. (Daily Press Photo)

Go-Go Gal Howls 'Discrimination'

DETROIT (AP) — A Detroit go-go bar owner filed a suit Monday saying his girl dancers are suffering discrimination since they cannot legally dance totally topless, but male dancers can.

Last Sept. 17, a girl dancer employed by Theodore Manolakas and John Kratsas at the Sip and Chat bar was arrested for indecent exposure when she peeled off her pasties.

Two years from now a 1970 Buick should be a little newer than most other cars.

Buicks are built that way. Checked and rechecked. Buick drive trains are balanced right on the cars. Buicks have semi-closed cooling systems. They should never overheat. Every Buick has a strong, long-lasting body by Fisher. All Buick V8 engines have carburetor time modulated choke

controls for fast, easy starting in any weather. Every time. Every Buick V-8 engine is precision balanced and inspected right on the assembly line by a unique compressed air technique known as air motoring. Buick developed it. It's another Buick exclusive. That, incredibly, is only the beginning.

The final result is lasting value. An integral part of every Buick. Standard equipment on the Buick that's waiting for you at the Buick Value Center. The Buick showroom nearest you. Where you can learn all the facts about the new cars that will stay longer. Where you can begin enjoying Buick value.

Buick Value. Something to believe in.

Miners Claiming 'Lung' Benefits

WASHINGTON (AP) — Splitting black and short of breath, unexpected thousands of sickened coal miners are claiming millions of dollars in newly won disability benefits for black lung disease.

Most of the applications are from aged miners, reports the Social Security Administration, or from widows of miners who died 20 to 30 years ago.

"X" marks many of the applications flowing in from the hollows of Appalachia and the mountain-high mining towns of the West.

In the two weeks since President Nixon signed the Federal Coal Mine Health and Safety Act into law, 45,209 persons in 32 states have applied for disability payments.

Applications have come from coal-rich Pennsylvania where 28,744 persons have filed claims to 14 in California and 13 in Arizona where little coal is dug but

some miners have retired.

The Social Security Administration, which administers the law, said 18,459 applications were filed the first week. The agency, in noting the number, had estimated a total of about 30,000 would be received in the coming weeks. But in the following week alone it received another 26,750, bringing the total Jan. 16 to 45,209.

The law provides monthly benefits ranging from \$136 to a single man to \$272 for one with three dependents who is stricken with the dread coal mining disease known to doctors as pneumoconiosis, but referred to in the mines as black lung.

The disease, brought on by the inhalation of coal dust, blackens the lungs and slowly destroys the tissues. It is estimated to afflict 100,000 active and retired miners, most of whom are not covered under state workmen's compensation laws.

GM Criticized In Flint Strike

DETROIT (AP) — A United Auto Workers Union official charged General Motors Monday with attempting to repudiate a recent high level agreement aimed at ending the five month strike at the Fisher Body Plant No. 2 in Flint.

Leonard Woodcock, UAW vice president, also announced Monday an emergency meeting for Jan. 30 in Flint to "greatly step up support for the 2,600 members of Local 598 on strike at the Fisher plant."

A GM spokesman denied Woodcock's charges.

Last Dec. 18 Woodcock, along with UAW President Walter Reuther, and other officials of the union met with GM Board chairman James Roche, and GM President Edward Cole.

Woodcock said that "at that time there appeared to be a basis which could bring a settlement of the lengthy strike," over production quotas and work loads.

He said "an understanding recognized the existence of a valid local agreement which GM agreed at that time to honor." Woodcock added that "now there is every evidence that they are repudiating that agreement, which makes it impossible to settle the Fisher Two strike."

Woodcock said "since this is a corporate action, it makes the Flint situation no longer a purely local strike. The union now must explore every possible avenue to support Local 598 members at Fisher Two."

SPECIALIZING IN Advanced Engineering is Spec. 4 Dale LaPalme, who recently returned to Fort Belvoir, Va., after spending the holidays in Escanaba with his wife and family. He is the son of Mr. and Mrs. Norman J. LaPalme of Escanaba Rte. 1, and his wife is the former Mary Priestner. Before entering advanced training he completed basic at Fort Campbell, Ky.

Highway Safety Plan Approved For Michigan

LANSING (AP) — Gov. William Milliken reports Michigan's Comprehensive Highway Safety Plan for 1970 has been approved by F. C. Turner, Federal Highway Administrator with the Department of Transportation.

The federal approval means Michigan can receive additional highway safety funds and avoid the penalty for failing to meet national standards—a deduction of 10 per cent of highway funds now allotted from federal road taxes, the governor said.

"Implementation of the program is now of prime importance," Milliken said, "continued approval and next year's safety budget will depend on this year's performance."

The governor said Michigan is continuing to work with the National Highway Safety Bureau on increasing the scope of its motor vehicle inspection program.

To produce one ton of steel requires 25,000 gallons of water, five tons of air, and 700 horsepower hours of electricity.

SINUS SUFFERERS

Here's good news for you! Exclusive new "hard core" SYNACLEAR Decongestant tablets act instantly and continuously to drain and clear all nasal-sinus cavities. One "hard core" tablet gives you up to 8 hours relief from pain and pressure of congestion. Allows you to breathe easily — stops watery eyes and runny nose. Hart Proposes U.S. Inspection Of Automobiles

DETROIT (AP) — Sen. Philip A. Hart, D-Mich., proposed Monday night establishment of a nationwide network of automobile inspection stations with diagnostic equipment to pinpoint mechanical ailments and check a vehicle's safety.

These stations, Hart said, would give owners some idea of what is needed before they take their cars in for repairs.

Steps Outlined

Hart, whose Senate Antitrust and Monopoly subcommittee has been probing auto repair problems for 18 months, outlined in a speech prepared for the Society of Plastic Engineers four other steps he proposes "to overcome consumer auto repair complaints."

Hart proposed: —Performance standards for both new and used cars, with design requirements making it easier to use diagnostic equipment.

—Licensing of repair shops and at least one master mechanic in each to oversee work and attest its competence.

—Training programs to overcome a shortage of mechanics which he estimated at 70,000.

—Design changes by manu-

facturers to cut the need for repairs and reduce the cost of those needed.

"This program isn't expected to deliver Utopia," he said, but added, "if we get moving in the next few months, I would expect significant progress in three years." The full plan may be implemented by 1975.

"Too Few Fixed"

Hart said testimony before his subcommittee had shown that too few cars are fixed right the first time they are taken to a repair shop and that extensive and expensive "cosmetic surgery" is needed on bodies "every time bumpers (are) kissed in a parking lot."

He proposed that the Department of Transportation establish minimum performance standards for both new and used cars and expressed the opinion this can be done under the Motor Vehicle Safety Act.

He would have new car standards administered by the federal government as well, with used car standards set by the federal government and jointly administered with the states.

Classified as Cost Little, But Do A Big Job!

Calumet Water Boost Sought

LANSING (AP) — The State Public Service Commission will hold a public hearing at Lansing Thursday on an application by Northern Michigan Water Co. of Calumet to increase wholesale and retail rates charged for water.

Northern Michigan serves 3,500 retail customers, four wholesale customers for retail distribution, 289 flat rate customers and five public and five private fire protection customers in Houghton and Keweenaw Counties.

The firm contends it must raise rates an average of 28 percent because its largest customer — Calumet & Hecla, Inc. — has discontinued mining operations and no longer purchases water.

In 1967, the firm said, Calumet and Hecla paid \$83,000 for water service. Last year, the mining firm paid an estimated \$21,000 for water service. Northern Michigan said it does not expect to sell any water to the company this year.

Falcons were highly prized in the Middle Ages. When Richard the Lionheart seized an Italian peasant's bird, irate villagers almost mobbed him, and he nearly missed the Third Crusade.

T. SGT. ROBERT M. Cass, whose wife, Sally, is the daughter of Mr. and Mrs. Howard Hay, 407 Ludington St., Escanaba, is a member of a unit that has earned the U.S. Air Force Outstanding Unit Award. Sgt. Cass, a training device supervisor in the 62nd Fighter Interceptor Squadron at K. I. Sawyer AFB, will wear the distinctive service ribbon to mark his affiliation with the unit. His unit was cited for exceptionally meritorious service from June 1967 to December 1968. It is part of the Aerospace Defense Command which protects the U.S. against hostile aircraft and missiles. Cass is a 1950 graduate of Escanaba Senior High School.

Lennon's 'Art' Due For Detroit

DETROIT (AP) — An exhibition of Beatle John Lennon's lithographs, which caused a police raid in London, is scheduled to begin at a Detroit art gallery Wednesday.

Eight of the black and white drawings, some of which depict Lennon and his wife, Yoko Ono, in the sex act were seized as obscene by London police last Thursday.

They were being shown and offered for sale there by the same man who says he has succeeded in winning U.S. customs clearance of 50 sets. The lithographs are titled, "John Lennon's Bag" and were drawn on the Beatle's honeymoon a year ago.

The man is Eugene Schuster, 33, who with his brother, Monis, owns the London Art Galleries in London, New York and Detroit. Schuster said the drawings, 28 by 36 inches, will go on sale at \$1,320 for the set of 14.

Schuster said he had no idea how Detroit police will react to his showing, but claimed to have taken orders for two sets, sight unseen.

He said he expected to have to return to London in two weeks to face police charges there against him.

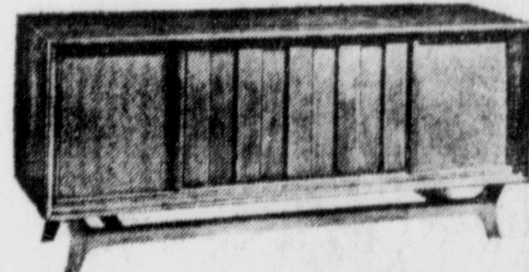

The pronghorn antelope is found only in North America and has no close relatives.

Mrs. Thomas M. Tunteri (Lee's Studio)

Sandra L. McGovern, Thomas Tunteri Wed

The First United Presbyterian Church in Escanaba was the setting Saturday, Dec. 27 for the wedding of Sandra Lee McGovern of Escanaba and Thomas Matthew Tunteri of Munising.

Officiating at the nuptials at 3 p.m. was the Rev. Philip Lyon. Standards of white chrysanthemums and red poinsettias adorned the church altar for the service and red candles with green foliage and red ribbons marked the pews.

Soloist for the service was Susan Garrard and providing traditional organ music was Mrs. Helene Merki.

The bride is the daughter of Mr. and Mrs. John J. McGovern, 800 S. 10th St. and parents of the bridegroom are Mr. and Mrs. Matthew T. Tunteri of 114 W. Chocoday, Munising.

Bridal Aides

Maid of honor for her sister was Susan McGovern of Kalamazoo and bridesmaids were Julie McGovern of Escanaba, also a sister of the bride, Ann Marie Tunteri of Mt. Pleasant, the bridegroom's sister and Cheryl Jansson of Keego Harbor, Mich.

Christ The King LCW To Meet

The afternoon unit of Christ the King LCW will meet at 1:30 Thursday at the church. Hostesses will be Mrs. Charles VanDeWeghe and Mrs. Edward Hamelin.

The evening unit will meet at 7:45 Thursday and hostesses will be Mrs. Clarence Anderson and Mrs. Dennis Schaefer.

The young women's unit will meet next Thursday, Jan. 29 at the church and Mrs. Kenneth West will be the hostess.

Births

BUCHOLTZ — Mr. and Mrs. William Bucholtz of Rte. 2, Escanaba are the parents of a son, Shawn Patrick, born at 9:15 a.m. on Jan. 19. The infant weighed 8 pounds at birth. The mother was Cecile Boyle.

RICHARDS — At 8:30 p.m. on Jan. 19, a son, Rodger Dale, weighing 6 pounds and 8 ounces, was born to Mr. and Mrs. Rodger Richards Sr., 426 S. 14th St. Mrs. Richards is the former Kathryn Porath.

Bethany Holds Annual Congregation Meeting

"Threshold of a New Age," on the standing committees which administrate the program of the congregation during the year.

Council Officers
Elected officers of the Church Council were: The Rev. Dr. Walfred E. Nelson, president; Ralph B. K. Peterson, vice president; Mrs. Frank Neumeier, secretary. Phillip Cochrane is treasurer, and Penny Ingram, the office and financial secretary. The president spoke words of appreciation to outgoing council members: Dale Heidenreich, Marie Jacobsen, Donald Nyquist, Ernest Vanlerberghe and Erwin Wolff.

Annual Report

In Dr. Nelson's annual report several basic and vital questions concerning the future role of the church were brought out: What shall be the place of the Christian Church in the last decades of this century? Will the church as we know it today, survive? Will the youth of today who become tomorrow's leaders support the present structure?

In answer it was pointed out that the church is only relevant when it faithfully witnesses to a message—a message from God to men. Pastor Nelson stated that the Church of Jesus Christ with all its blemishes, its divisions and its failures still remains the best hope of spiritual vitality in the decades ahead. The church has stood through all crisis and will survive in today's turmoil.

Highlights of '69

Among the highlights of the past year were the renovation of the Church basement into a social hall costing some \$53,000, and the celebration of the 90th Anniversary. Progress reports were presented by the eight standing committees of the Church Council, and from the various organizations.

It was pointed out that the average church attendance was 453, more than 755 calls were made by the pastor and his assistant, the Rev. Charles Beckingham; and the Boy Scouts of the church have one of the largest troops in the community.

Phillip Cochrane, Church treasurer stated that total expenses for operation and renovation amounted to \$158,000; the 'congregation gave to the Mission Outreach, Synod and the Lutheran Church in America, and other agencies nearly \$26,000; the local operation cost was \$51,365; some \$18,000 was paid out in the area of minor improvements and debt reduction and the total amount of incomes from members amounted to \$79,357.32.

Walter Lewke, Chairman of the Finance committee and Council member, presented the 1970 budget of \$92,140. The budget was approved by the congregation.

Church Councilmen

Elected to the Church Council for a term of three years were: James Anderson, Myron Carlson, Aaron Johnson, Robert Koskie, and Ralph Zenker. There are 15 council members together with some 80 members.

Woman's Club Meets Wednesday

The Escanaba Woman's Club will meet Wednesday at 1:30 p.m. at the First United Presbyterian Church.

A highlight of the meeting will be a program presented by members of the Manistique Woman's Club. They will present a fashion show, entitled, "Fashions of Early Years, Both Historic and Comic." President of the Manistique Club is Mrs. John P. Quick and style show director is Helen Voisine.

Escanaba hostesses for the day are Mrs. R. G. Nelson and Mrs. D. J. Babcock. All members are to attend.

Trenary

WCS Meeting
The Women's Society of Christian Service of the United Methodist Church will meet Thursday evening at the home of Mrs. Ruth Jacobson.

Bethany Honors R. Strattons

Bethany Lutheran Church honored Mr. and Mrs. Richard Stratton, former custodians, with an appreciation fellowship dinner on Sunday evening, Jan. 18. The Strattons have served as custodians for 9 years.

Mrs. A. E. Hendrickson expressed words of appreciation in behalf of the Bethany Church Women and Lawrence Haack, vice-chairman of the congregation presented the Strattons with a chest of money. Mr. Stratton responded by sharing many humorous recollections of his years as a custodian in Bethany.

Area Students Begin Basic Skills Testing

By BOB GREGG

Tests to measure the basic skills and achievement levels of area school children in the fourth and seventh grades are being given today and tomorrow in all district schools. The tests are part of a state-wide basic skills testing program to help assess educational progress in Michigan.

The main reason for the tests is to have a statewide picture of achievement levels of the state's elementary and secondary school students. By starting with the fourth and seventh grades, the state hopes to measure the accomplishment of students at the point where differences are readily measurable (fourth grade) and at a point where formal instruction in basic skills is complete but the picture hasn't been distorted by high dropout rates.

"From this beginning, we can map our future course," commented Dr. John Porter, acting superintendent of Public Instruction. "Ideally, educational decision makers should have some idea of pupil performance at the beginning of formal education, a continuing check through the grades, and some measure of student accomplishment near the end of both elementary and secondary schooling," he explained.

Limited Funds

Limited resources for the initial testing across the state has been provided area schools by the Legislature. Because of the limited resources only two grades could be tested at this time, the fourth and seventh grades were chosen to initiate the program.

"The purpose of the test is to determine just where our kids are," said Vernon Ihlenfeldt, curriculum director for the Escanaba Area Schools.

Ihlenfeldt added that he thought the test would give a good idea of education, and where it stands, in our state.

"It will eventually tell us what changes have to be made in education," he said. He noted, however, that parochial schools are not included in the testing program.

The tests should give an accurate appraisal of the performance levels of students in the public schools of the State of Michigan. As soon as the test results are in schools will be able to plan remedial steps for those areas (state regions) where special help is needed.

The test results will also help recognize areas where scores of student performance is superior so that other schools can discover what a certain region is doing right. "After that they can make wider use of the lessons learned," said Porter.

Everyone, except those in special classes for the handicapped, in the fourth and seventh grades will take the test.

Algot Erickson Dies Suddenly

Algot G. Erickson, 60, of Harris was dead on arrival at St. Francis Hospital Monday afternoon after suffering a heart attack while driving his automobile.

He was born Feb. 5, 1909 in Bark River and served with the U.S. Army during W.W. II. Since 1945 he had owned and operated the Harris Grocery Store and Post Office.

Mr. Erickson was a member of the Rheumae Knauf American Legion Post, 438 of Bark River, the Menominee County Selective Service Board and the National Association of Postmasters.

He is survived by his widow, Ruth; one son, Leonard of Harris; two daughters, Mrs. Jerome (Julianne) LeBoeuf of Marquette and Mrs. Albert (Evelyn) Gagne of Harris; 13 grandchildren and one great grandchild; one brother, Lawrence of Bark River.

Friends may call at the Boyle Funeral Home Chapel from 4 to 9:30 p.m. Wednesday and complete funeral services will be conducted at 2 p.m. Thursday at the Bark River Bible Church with the Rev. Merle Amundsen officiating. Burial will be in the Bark River Cemetery.

Area Students Begin Basic Skills Testing

By BOB GREGG

Tests to measure the basic skills and achievement levels of area school children in the fourth and seventh grades are being given today and tomorrow in all district schools. The tests are part of a state-wide basic skills testing program to help assess educational progress in Michigan.

The main reason for the tests is to have a statewide picture of achievement levels of the state's elementary and secondary school students. By starting with the fourth and seventh grades, the state hopes to measure the accomplishment of students at the point where differences are readily measurable (fourth grade) and at a point where formal instruction in basic skills is complete but the picture hasn't been distorted by high dropout rates.

"From this beginning, we can map our future course," commented Dr. John Porter, acting superintendent of Public Instruction. "Ideally, educational decision makers should have some idea of pupil performance at the beginning of formal education, a continuing check through the grades, and some measure of student accomplishment near the end of both elementary and secondary schooling," he explained.

Limited Funds

Limited resources for the initial testing across the state has been provided area schools by the Legislature. Because of the limited resources only two grades could be tested at this time, the fourth and seventh grades were chosen to initiate the program.

"The purpose of the test is to determine just where our kids are," said Vernon Ihlenfeldt, curriculum director for the Escanaba Area Schools.

Ihlenfeldt added that he thought the test would give a good idea of education, and where it stands, in our state.

"It will eventually tell us what changes have to be made in education," he said. He noted, however, that parochial schools are not included in the testing program.

The tests should give an accurate appraisal of the performance levels of students in the public schools of the State of Michigan. As soon as the test results are in schools will be able to plan remedial steps for those areas (state regions) where special help is needed.

The test results will also help recognize areas where scores of student performance is superior so that other schools can discover what a certain region is doing right. "After that they can make wider use of the lessons learned," said Porter.

Everyone, except those in special classes for the handicapped, in the fourth and seventh grades will take the test.

Algot Erickson Dies Suddenly

Algot G. Erickson, 60, of Harris was dead on arrival at St. Francis Hospital Monday afternoon after suffering a heart attack while driving his automobile.

He was born Feb. 5, 1909 in Bark River and served with the U.S. Army during W.W. II. Since 1945 he had owned and operated the Harris Grocery Store and Post Office.

Mr. Erickson was a member of the Rheumae Knauf American Legion Post, 438 of Bark River, the Menominee County Selective Service Board and the National Association of Postmasters.

He is survived by his widow, Ruth; one son, Leonard of Harris; two daughters, Mrs. Jerome (Julianne) LeBoeuf of Marquette and Mrs. Albert (Evelyn) Gagne of Harris; 13 grandchildren and one great grandchild; one brother, Lawrence of Bark River.

Friends may call at the Boyle Funeral Home Chapel from 4 to 9:30 p.m. Wednesday and complete funeral services will be conducted at 2 p.m. Thursday at the Bark River Bible Church with the Rev. Merle Amundsen officiating. Burial will be in the Bark River Cemetery.

Police Pushing Polite Practices

DETROIT (AP) — Don't be surprised if a Detroit policeman roars up along side you, steps daintily off his motorcycle and says, "I'm dreadfully sorry, sir but it would appear that you were driving at a speed in excess of the limit."

The president of the Detroit Police Officers' Association wants every Detroit policeman to be kind to at least three people per day.

Carl Parsell, recently reelected head of the police union, said it's part of a plan to have Detroit's 5,000 policemen impress 450,000 citizens in just one month.

Parsell calls it "Operation GO PRO" and says "professional pay will follow along behind acceptance as a professional."

"We need a better image," he said, "and each of us can take a giant step in that direction by individually taking his own disposition into hand."

GLADSTONE

City Snowmobilers Agree To Ordinance

The Gladstone snowmobile ordinance went into effect at 8 a.m. today with the sanction of the snowmobile committee.

The committee, headed by George Matt, 1323 Minnesota Ave., met with the commission Monday evening to present a list of proposed amendments to the ordinance but agreed there was no alternative when they were told that a city ordinance could not underwrite a state law.

Since the snowmobile ordinance prohibits riding on streets, alleys or sidewalks the group proposed that snowmobilers be permitted to use designated streets and alleys to reach riding areas safely. They specified a 13-year age limit for drivers and proposed a special permit to promote safety and accept complaints.

Dangerous

Commissioner Ray Norton said, in his opinion, opening any

street or alley to snowmobilers would be most dangerous. He said the commission had worked on the ordinance for approximately two years and it was in line with many other cities and acceptable under state law.

Mayor Arne Anderson said he wouldn't want to be a part of any action to open streets for snow machine traffic, however, he said he might consider controlling the snowmobilers for one block or possibly two in order to reach a specific riding area without mounting the machine on a trailer.

Chief of police Jim Norick said the majority of complaints received by the police department are against the machines.

Offer Course In Seamanship

The United States Coast Guard Auxiliary is anxious that you enjoy your hours on the water to the utmost and announces that it will again conduct its very popular "Ten Lesson Course in Basic Seamanship" this winter.

Classes will be conducted at Gladstone High School beginning Jan. 27. These classes consist of, Rules of the Road, Aides to Navigation, Marlinpike Seamanship (knots and splices), Federal and State Legal Requirements and Boating Regulations, Piloting (charts and compass), Weather, Boating Safety and Seamanship, and Nautical Terminology.

Course instruction will be scheduled once a week during the evening hours. Each session is two hours in length. Students should be accompanied by a parent.

The class will be taught by qualified and experienced members of the Coast Guard Auxiliary. At the completion of the course the participants will receive the United States Coast Guard Auxiliary Basic Seamanship Certificate.

There is no charge for the instruction but a fee will be charged to cover the cost of the text and supplies to be used. Interested persons may call the Community School office in Gladstone 425-3321.

Births

COOK—Mr. and Mrs. Robert K. Cook, 225½ Prospect, Marquette, announce the adoption of a son, Robert Kenneth, Jr. The baby, the first child in the family, was born Nov. 28, 1969. Mrs. Cook is the former Kathi Adams, daughter of Mr. and Mrs. Robert Adams, 807 Michigan Ave.

Esky Grapplers Suffer Defeat

The Escanaba Eskymo wrestling team ran into a real buzz-saw Monday night and they dropped a 36-10 decision to the Iron Mountain Mountaineers in a Great Northern Conference meet.

Iron Mountain started fast and picked up five points in the 98-pound class when Rich Strophich of Escanaba was unable to continue because of a shoulder separation. The Mountaineers then went on to pick up victories in the next nine matches before Esky's Duane Scheuren won on a forfeit and Lynn Collins pinned his opponent.

Last night's match also the winning streaks of Dale Ford and Neil VanDreese came to an end. Both wrestlers had picked up eight straight victories before last night's meet. Scheuren is now the only Eskymo grappler still undefeated.

The Eskymos will take a 5-2 record into the Great Northern Conference meet at the Escanaba Area High School gymnasium this Saturday while Iron Mountain will come into the event with a perfect 7-0 season record.

The results:

98—Mike Pancheri (IM) won on default
107—Tom Calo (IM) dec. Mike Blazek (E) 6-4
115—Jeff Nepper (IM) dec. Jim Larsin (E) 8-4
123—Rick Powell (IM) dec. Mike Thompson (E) 6-2
130—Russ Pericolosi (IM) dec. Dale Ford (E) 8-4
137—Mark Ellington (IM) dec. Mike Makoskey (E) 8-0
145—John Roberts (IM) pinned Mark Blazek (E)
165—Dennis Hicks (IM) dec. Rick Williams (E) 6-2
175—Ray Hosking (IM) dec. Terry Scheuren (E) 6-5
185—Duane Scheuren (E) won on forfeit
Hvy—Lynn Collins (7) pinned Greg Ball (IM)

Georgia Quint Upends Auburn

By The Associated Press
There's something about a Southeastern Conference opponent that makes tigers out of the Georgia Bulldogs.

Auburn was the latest team to find out that the Bulldogs' SEC bite is worse than their non-league bark.

Georgia came away with a hard-fought 71-67 triumph and moved past the Plainsmen into second place with a 5-1 mark while Auburn dropped to third at 5-2. Against non-SEC competition, Georgia is just the reverse with a 1-5 record.

Trailing 46-45, Lanny Taylor's clutch shooting and Herb White's ballhandling sparked the Bulldogs to a nine-point lead with six minutes left. Taylor scored 22 points and Bob Lennard 21 while John Mengelt of Auburn led all scorers with 29.

Georgia trails Kentucky, which has a 5-0 league record, by one-half game.

Elsewhere, the Yellow Jack-ets of Georgia Tech blew a 17-

Former Baseball Greats Seek Hall Of Fame Seats

NEW YORK (AP) Early Wynn, a 300-game winner during a major league career that spanned four decades, Lou Boudreau and Ralph Kiner were considered top candidates for election into baseball's Hall of Fame today.

In order to be elected a player must be retired from baseball for five years and must receive 75 per cent of the ballots from the Baseball Writers Association of America.

Braves' Matmen Beat Crusaders

GLADSTONE — The Gladstone Braves' wrestling team picked up victories in the first six individual matches and then went on to score a 30-16 victory over the Holy Name Crusaders in a dual meet Monday night.

In the first six matches, Bill DeMay, Barry Holm, Dick DeMay and Bob Neely won by decision and Gary Ailsworth and Mason Thibeault pinned their opponents. Other Gladstone wrestlers winning last night were Randy Smith on a decision and Bob DeGrand on a pin. Smith's victory over Jim DeGrand was DeGrand's first loss this season.

Winning for Holy Name were Bill Beauvais and John Polequin on decisions and Paul Cousineau and Gary Corbett on pins.

The results:
98 — Bill DeMay (G) dec. Art Beauvais (HN) 6-2
107 — Barry Holm (G) dec. Allen Beauvais (HN) 5-0
115 — Gary Ailsworth (G) pinned John DeKeyser (HN)
123 — Dick DeMay (G) dec. Rod Kohler (HN) 12-2
130 — Bob Neely (G) dec. Jim Kohler (HN) 5-0
137 — Mason Thibeault (G) pinned Dave Walker (HN)
145 — Bill Beauvais (HN) dec. Bob Anderson (G) 5-0
155 — John Polequin (HN) dec. Paul Phalen (G) 7-4
165 — Randy Smith (G) dec. Jim DeGrand (HN) 2-0
175 — Paul Cousineau (HN) pinned Pat McGeary (G)
185 — Gary Corbett (HN) pinned Gary Charles (G)
Hvy. — Bob DeGrand (G) pinned Tom Leonard (HN)

Wynn, a burly right-hander, broke in with the Washington Senators in 1939 and hung on until he reached the 300 plateau in 1963 with the Cleveland Indians. It was his only victory of the season and marked the end of his career, finishing with a 300-244 mark.

Wynn, a tough competitor who once said he'd knock his mother down if she was digging in on him, spent 23 years in the majors, appearing in World Series with Cleveland in 1954 and with the Chicago White Sox in 1959.

Boudreau, former Cleveland shortstop and one-time boy manager of the Indians, and Kiner, a slugging outfielder with the Pittsburgh Pirates, finished third and fourth in last year's balloting when Stan Musial and Roy Campanella were elected.

Boudreau compiled a .295 batting average in 15 big league seasons, most of them with the Indians. His best year was 1948 when as a player-manager he hit .355 and led the Indians to the pennant. In 1944 he captured the American League batting title with a .327 mark.

Kiner led or tied for the National League home run crown in seven straight seasons from 1946 through 1952. He wound up with 369 homers while playing most of his career with Pittsburgh.

Kiner belted 51 homers in 1947

and 54 in 1949 and drove home 1,015 runs during his 10-year career. His lifetime batting average was .279.

A total of 340 votes was cast by 10-year members and honorary card-holders in the writers' association last year. This year more than 400 ballots were sent out.

On the basis of last year's voting, hustling Enos Slaughter, slugging Johnny Mize and slick-fielding Marty Marion figured to rank high in the balloting.

Only three new names appear on this year's ballot. They are Duke Snider, Billy Bruton, and Bobby Shantz.

Michigan Coach Back Home Again

ANN ARBOR, Mich. (AP) — University of Michigan football coach Bo Schembechler returned home Monday night from Pasadena, Calif., where he was released from the hospital after treatment for a heart attack suffered just before the Rose Bowl football game.

Bump Elliott, associate U-M athletic director, said Schembechler "looked very good."

Doctors said the coach has made a good recovery to date but must recuperate further at his home before resuming his coaching duties.

Small School Quints Shine In Cage Play

By JIM TRETHEWEY

The Upper Peninsula, as is usually the case, has a large number of strong small-school basketball teams.

It's quite a task rating them and figuring their chances in conference and tournament play, but at least seven-based on action to date — stand out above the rest.

Powers, which is 9-1 after losing its first game, and Bergland, which had won eight straight before losing to Gladstone, Wis., have been ranked 1-2 much of the time, but coming up fast is Big Bay de Noc after a teachers' strike kept it idle for most of the first month of the campaign.

Big Bay de Noc — a consolidated school formed by the Cooks, Garden and Nahma districts for the start of the 1967-68 campaign — now has played seven games and won them all

decisively. The Black Bears of Coach Dave Pelletier finally played a road game, at Pickford, and defeated the Panthers, 82-43. They're hitting an average of 82.4 points a game and holding opponents to an average of 53.4 points.

Lacking height, the Black Bears are a fast moving, well balanced outfit which seems likely to stay atop the Central U. P. League and go into the Class D district meet at Engadine as a strong tournament contender.

Big Bay de Noc has two good tests this week, at Rapid River Tuesday and at home against Trenary Friday. The team may not be at full strength for those games, since junior Dave Hardwick was injured and did not play at Pickford and senior Bill Hartman suffered an arm injury in that contest.

Two Teams Notch City League Wins

The Stone House and Cablevision picked up victories in last night's City League basketball play.

The Stone House got 20 points from Tom Vanlerberghe and 18 from Fred Woeffler in a 66-54 victory over Tom's Signs. Fran Brunette and Wally Slade had 20 and 19 points respectively for the losers.

Bill Micheau's 33 points paced Cablevision to a 75-64 win over Robinson's. Doug Moss chipped in with 19 points for the winners and Bob Randall led Robinson's with 20 points.

Games Wednesday will find Gafner's playing the Jets at 6:45, Tom's meeting Ness Construction at 7:45 and Hebert's going against the Independents at 8:45.

Athletic Events Set At Gladstone

A big week of athletic activities has been scheduled for Gladstone High School this week.

Following the wrestling match and freshman basketball game last night with Holy Name, the freshman cagers will go to Marquette for a game tonight with the Redmen frosh. The Gladstone varsity and junior varsity basketball teams will play two games this weekend, playing host to Holy Name on Friday and Negaunee on Saturday. Game times will be 6:15 and 8 p. m.

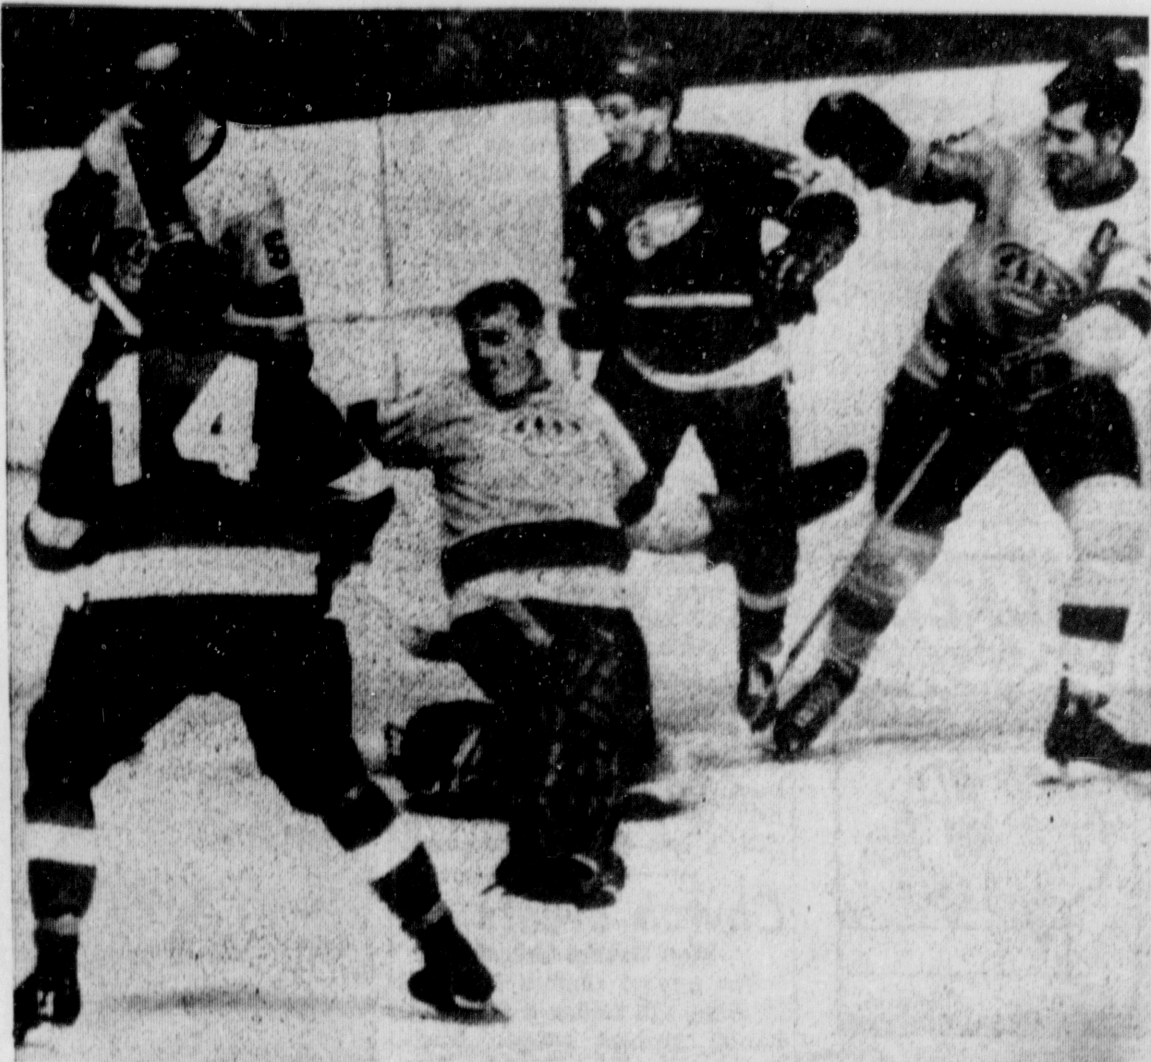

The wrestling team will travel to Marquette for a meet Saturday at 2 p. m., while the 7th and 8th grade basketball teams will be at Gwinn for a pair of games beginning at 1 p. m.

Booster Meeting

A meeting of the Gladstone Booster Club has been scheduled for tonight at the James T. Jones School beginning at 7. All members are urged to attend.

Karlander was a former star at Michigan Tech University. (AP Wirephoto)

Scheffing Gets Positions With Baseball Champions

KALAMAZOO (AP) — The naming of Bob Scheffing, former manager of the Detroit Tigers, to general manager and vice president of the world champion New York Mets has been hailed by former Tigers associates.

"I think it's a wonderful selection," said Detroit general manager Jim Campbell today. "He is a very competent, high class and a good man."

"He's a great man," said Norm Cash, first baseman for the Detroit Tigers. "He's the man who gave me the opportunity to play in the big leagues."

Both Cash and Campbell indicated they hoped the Tigers win the American League baseball pennant this season, and that the Mets would repeat in the National League so they could meet in the World Series.

Both Cash and Campbell were interviewed at Kalamazoo where they are on a Detroit Tiger pre-season tour.

Scheffing, who also formerly managed the Chicago Cubs, was named to the post Monday by the New York Mets. He succeeds the late John Murphy who died last week after suffering a massive heart attack.

Scheffing, 56, a former major league catcher, managed the Cubs from 1957 through 1959 and the Tigers from 1961 through part of the 1963 season. He was named American League manager of the year in 1961.

Cash said Scheffing was a "great personal friend of mine, one of my golfing buddies. I know he'll do the Mets a bang-up job as their new general manager."

Cash said Scheffing knows "how to handle men real good." Cash said that during the 1961 season he didn't want to play the last game, but that Scheffing noticed Cash needed only two more hits to lead the team, which had been eliminated from first place.

"It was a long year. I played in every game and I thought I played enough."

Scheffing ordered Cash to play. He got two hits, to top the league. Cash also had the best batting average that year.

The new general manager had been associated with the Mets since December, 1965, when he was named director of player

Unbeaten Bruins Remain Tops Among Cage Powers

By The Associated Press

UCLA's Bruins, accelerating like a shocked gazelle, held onto top billing today as the nation's No. 1 college basketball team.

The unerring Bruins, winners of 12 straight this year, bagged 26 first-place votes and 592 points from the Associated Press' nationwide panel of sports writers and sportscasters.

Charging Kentucky stayed No. 2 with four first place ballots and 546 points as the first six teams remained intact—No. 3 South Carolina, No. 4 St. Bonaventure, No. 5 New Mexico State and No. 6 Jacksonville.

Houston bolted two places to seventh, Marquette rocketed a pair of spots to eighth, North Carolina plunged two spots to No. 9 and North Carolina St. rounded out the Top Ten, climbing a spot from 11th.

Three teams were Top Twenty dropouts after poor showings—Columbia, Niagara and Washington. The three new clubs were, Kansas State, tied with Duke for 16th; Iowa, tied with Louisville for No. 18 and No. 20 Notre Dame, a former member of the blue-blooded group.

Among the Second Ten, Illinois showed the most improvement by leaping five places to 12th after a pair of victories.

The Second Ten also included No. 11 Davidson, No. 13 Ohio U., No. 14 Penn and No. 15 Southern California.

UCLA dropped Bradley 61-56 and Loyola of Chicago 94-72 last week for its 16th straight victory since losing to Southern Cal last season.

Kentucky beat Georgia 72-71 and Tennessee 68-52 for the all-winning Wildcats 13th victory this year. Kentucky held the No. 1 spot for several weeks before the Bruins, powered by their sharpshooting guards, grabbed the spotlight.

South Carolina's junior-studded squad, the AP's No. 1 team in pre-season polls, have won 12 of 13 this year—including last week's 63-42 victory over Virginia and 59-56 beating the Furman. The Gamecocks grabbed 468 points.

St. Bonaventure, 10-1, idle last week, took 402 points: New Mexico State, 15-1, conquerers of Hardin-Simmons 83-75 last week, had 343 points and Jacksonville, 13-0, winners over the Virgin Islands, 114-66, had 331.

Houston was idle, Marquette

101-80 and Michigan 75-73.	592

Seaway Tonnage Lowest Since '64

CLEVELAND, Ohio (AP) — Cargo tonnage moved on the St. Lawrence Seaway in 1969 dropped 14.5 per cent to 41 million net tons, compared to a total of 47,953,850 tons the previous year. Last year's tonnage was the lowest since 1964 when cargoes totaled 39.3 million tons. Bulk cargo, chiefly iron ore and grains, totaled 33,950,000 tons in 1969, off 15 per cent from the previous year. General cargo, chiefly iron and steel products, totaled 7,050,000 tons, a drop of 12.5 per cent. The 1968 totals were 39,950,823 tons of bulk cargo and 8,003,027 tons of general cargo. A prolonged strike at the three large iron ore loading ports on the lower St. Lawrence River resulted in a drop in iron ore shipments on the seaway from 17.9 million net tons in 1968 to 11.5 million tons in 1969, a loss of 6.4 million tons.

Church Events

First Baptist Church

The annual Church Business Meeting will follow a 6:30 p.m. family potluck supper Wednesday at the Church. The senior BYF group will serve the supper and film strips will be shown to all children attending. The business meeting is open to all church members 16 years and older. James Hendrickson presented a message in song with his guitar at the Sunday 11 a.m. worship service. Rev. and Mrs. Curtis Haas will hold a get-acquainted party with the Junior High BYF in the parsonage basement Friday, Jan. 23, at 7 p.m. The Junior Choir will practice at 9 a.m. Sunday, Jan. 25. Youths in grades three to seven are invited to join. Rev. and Mrs. Curtis Haas will hold open house at the parsonage Sunday, Feb. 1, from 1 to 7 p.m. followed by an installation service at 7:30 in the church. Rev. James Burgess, Baptist State Convention, will be guest speaker. The Senior BYF meets every Monday at 7 p.m. at the Rodger Tyrell home, Tennant Dr. The Junior BYF meets each Monday at 7 p.m. in the church.

Bethel Baptist Church

The Mission Circle meets Wednesday at 2 p.m. at the home of Mrs. Freda Brolin, 200 N. Houghton Ave. King's Daughters meet Thursday at 7:45 p.m. at the church with the Mesdames George Bosanic, Art Curran and Otis Nelson as hostesses.

MANISTIQUE

Soil Directors To Be Elected

Two directors will be elected when the fourth annual Soil Conservation District meeting is held Thursday at the Fireside. A 6 p.m. dinner will precede the election. The three year terms of Charles Matchinski and Graham P. Widdis are expiring. District directors last year included Jon Haindl, chairman; Matchinski, secretary; Widdis, treasurer; Bill Pawley and Bob Leny, directors. Slides of district activities will be shown at the meeting. Some of the activities include an appraisal and publishing of "Recreation Potential of Schoolcraft County," trial plots to determine if oil-yielding crops can be grown successfully for industrial use; the distribution of church bulletin fillers during observance of Soil Stewardship Week, and providing educational material to schools. Mrs. Ingrid Bartelli, Michigan State University consumer and marketing agent, will be guest speaker and discuss "Beef or Else."

First Draftees In Lottery Go

Two inductees, the first drawn under the new lottery system, left Monday morning for induction into the armed services in Milwaukee. Ralph Ansell of Thompson and Gerald Weber Jr., Rte. 1, Manistique, each received gifts from the Veterans of Foreign Wars, presented by Henry DeSautel, before leaving Manistique by taxi for Escanaba where they boarded a chartered bus bound for Milwaukee. Seven area young men left Jan. 5 for pre-induction physicals in Milwaukee and included Michael Parrish, Cooks; Gary Thompson, Donald Anderson, Ryan Chartier, Randy Tallman, Emeric Bosanic and William Carlson, all of Manistique. The report came from Mrs. Ann Jorgenson, Selective Service Clerk.

Snowmobilers Given Warning

"Illegal operation of snow-machine" is a charge listed very frequently in the District Court docket these days. Apparently there are some snowmobilers who don't know or don't care that state law prohibits the operation of a snow-machine on any city street or sidewalk. "There is and has been a flagrant disregard for this law," Public Safety Director Joseph McDonough said Monday. "Running a snow-machine on city streets and sidewalks is a very dangerous practice and will undoubtedly end in a disaster unless steps are taken to correct the practice." It is almost unbelievable, McDonough continued, that owners are allowing eight and nine-year-old children to operate snowmachines in the city. "The youngsters zip through stop signs and angle from road to sidewalk. With the high snowbanks, icy roads and cars unable to stop, some tragedy is sure to result."

McDonough said he intends to ask, through the city attorney, that more severe fines be assessed for snowmobilers violating the law. He will also request that a jail sentence be imposed for any snowmobiler attempting to elude a police officer. Any snowmobiler who operates his machine late at night and disturbs the peace will be ticketed for excessive noise. "This practice will have to stop," McDonough concluded, "or the city will be forced to adopt an ordinance rigidly limiting snowmachine use. The few who break the law will spoil it for everyone else."

Rev. Levin Wins Speech Contest

Rev. Ingmar Levin won first place in an area Toastmaster's speech contest Saturday night in Munising and will compete in district competition Feb. 14 in Escanaba. The pastor of Manistique's Zion Lutheran Church won with a talk entitled "You've Got to Laugh, Mrs. Thompson," anecdotes from the daily life of a minister. The Pictured Rocks Toastmasters of Munising hosted the area competition with the local Paul Bunyan and Marquette's Speak Easy Toastmasters attending. The contest was held following a supper at the Forest Inn. An installation of officers was also held and Robert Noe was installed president of the local club.

Briefly Told

Chicken noodle soup, homemade pan rolls, fruit and beverage is the hot lunch menu Wednesday at Central, Fairview, Hiawatha, Doyle and Germfask schools.

Speeding tickets were issued by State Police over the weekend to Leonard Shay, Germfask; Mae Baker, Newberry; Michael Christensen, 314 Deer St.; Lawrence Guertin, Garden; William Wilson, Gladstone; Robert Anderson, Birmingham; Robert Poniatowski, Detroit; Don Borgie, Wayland; and Thomas Earhart, Shelbyville.

CBC Radiothon Being Planned

Plans are being made for another CBC radiothon, via WTIQ, to benefit Cancer, Bay Cliff Health Camp and Crippled Children and Adults. The second radiothon will be conducted much like last year's, the committee announced this week. The radiothon will be broadcast from the St. Francis de Sales Parish Center with local talent donating their time. Pledges will be received over the air. A drive to solicit business and industry will open the CBC Campaign on March 8. The committee is discussing the possibility of other fund raising activities during the campaign, including the "Mile of Pennies" which was staged last year. A teen dance will be held at the Elks Temple. The committee meets again Jan. 26 at 7:30 p.m. in Augustana Hall.

Schoolcraft County EVENTS AND NOTICES

The Hospital Auxiliary will hold a dinner meeting Monday, Jan. 26 at the Fireside Inn. Tickets are available from Mrs. Roy Briggs. An interesting program is planned.

The annual Church Business Meeting of the First Baptist Church will be preceded by a 6:30 p.m. family potluck supper on Wednesday, January 21.

The W.S.C.S. will sponsor a pasty sale Thursday, Jan. 22 at the First United Methodist Church and Gamble Store. Advance orders may be telephoned to 341-5491 or 341-5812.

The Hiawatha PTA will meet Wednesday, Jan. 21 at 7:30 p.m. Mrs. Theodore Doane will show a film followed by refreshments.

The Schoolcraft District, LPNA, meets Tuesday, Jan. 20 at the home of Mrs. Leo Thomas, State Road at 8.

Daily Rummage Sale sponsored by St. Jude Circle in the garage of Mrs. William A. Norton, 121 S. 2nd St.

Alcoholics Anonymous meet every Thursday and Sunday night in Manistique. For further information write Post Office Box 3, Manistique or call 341-2440.

Station Sounded Like Henhouse

HOWELL (AP) — The Livingston County Sheriff's department has a special detail this week—called the "Chicken Division."

Last Saturday night a raid on a cock-fighting session in a Howell garage netted 27 fighting cocks valued at as much as \$100 each.

The birds are evidence, and must be kept alive for ten days. They were kept in the sheriff's office until Sunday, when the noise became too much for the staff. Officers will not reveal the new lodgings.

"I called down there Sunday, and the place sounded like a chicken ranch," said State Police officer.

The raid at the Howell home of Carl Lee Lawson Jr. resulted in the arrests of 55 persons. On Monday 52 of those arrested paid fines and court costs of \$35 each after pleading guilty to being spectators at an illegal sports event.

Fund Raising Game Goes On

LANSING (AP)—Hoping that additional time will pay off, Michigan Democrats have extended until Feb. 21 a fund-raising game designed to raise \$50,000.

The contest was to have closed last Sunday and winners were to have been announced next Sunday. However, so little money had been raised that the deadline was extended.

The game, which carries a top prize of a 1970 automobile, involves estimating the number of dots on a card-map of Michigan. Each card costs \$1.

James McNeely, state chairman, said Monday the party had so far collected under \$7,500. Costs alone run several thousand dollars.

Black Militant May Face Trial

DETROIT (AP) — A judge said he would probably make a decision next Monday on whether black militant Robert Williams should be extradited to Monroe, N.C., to face kidnapping charges.

Wayne County Circuit Judge Thomas J. Rounell announced a delay after hearing arguments from the state of Michigan Monday, in behalf of the extradition.

AUTOMOBILE MECHANICS Right now we're looking for two all around top flight experienced men. We have a lot to offer the right men.

• A clean, bright, big, new modern shop that's warm in the winter, cool in the summer, and dry all year round.

• Plenty of customer parking space in and around the service department so you won't have to move cars to get at your next repair.

• Free employee parking on the premises.

• Our huge parts department usually has the right parts when you need them.

• All the latest brand new shop equipment.

• Every mechanic has a floor hoist of his own.

• We pay full costs of furnishing co-ops.

• The only shop in the area that offers union security.

• The usual excellent insurance plan and benefits in the area.

• Customer confidence and dealer reputation keeps our shop full. For more specific information about our expansion program, call Mr. Franken, General Service Manager.

Treloar Named Michigan Week Head For Area

W. H. Treloar of Marquette has been named 1970 Michigan Week chairman for this region of the state. Region 2 includes Alger, Delta, Dickinson, Marquette, Menominee and Schoolcraft counties.

His appointment was announced recently by Dr. Walter J. Wentz, deputy general chairman for Michigan Week in the northern sector of the state and president of War Memorial Hospital, Sault Ste. Marie.

"It gives me pleasure to know that Mr. Treloar will be at the helm of Michigan Week activities in this region," Dr. Wentz said. "His wealth of experience in communications and civic affairs will be invaluable to citizens setting up local Michigan Week programs."

Under Mr. Treloar's direction county and community chairmen in Region 2 will proceed to set up local arrangements for the annual springtime celebration. Dates for 1970 Michigan Week are May 16-23.

Mr. Treloar was a teacher before entering the newspaper field, where he remained for 42 years. He retired as publisher for Panax Newspapers in the Upper Peninsula in 1967, but has continued to do some part-time consulting.

Long active in community affairs, Mr. Treloar has received numerous honors. These include a Michigan Week Volunteer Leadership award, a Distinguished Alumni award from Northern Michigan University, and a Citizens Recognition citation from the Marquette Chamber of Commerce.

As Michigan Week regional chairman, Mr. Treloar succeeds Richard Bornslaeger, a process engineer for Kimberly Clark Corp., Munising.

W. H. Treloar

'Evaluation Night' Held At Altrusa Meeting

At a recent dinner meeting of the Escanaba Altrusa Club at the Stone House, Mrs. Bonnie Haapala, program coordinator, conducted an "Evaluation Night." Mrs. Vera Clairmont, president, also called for reports from standing committees.

Ladies reporting were: Shirley Miller, Altrusa information; Camille Rabito, community service; Peg Hanson, Powers, vocational services; Claire Garrard, publicity and Mrs. Haapala, program.

The Altrusa Club serves on a local basis as well as international by means of two programs, "Grants in Aid," and the "Founders' Fund."

Local projects through holi-

day sale of fruit cakes include, gifts for Pinecrest patients; VISTA housing; nylons to nursing home shut-ins for rug making; college scholarships for girls; aid to Delta County Historical Society, when asked; and the instigation at Escanaba Area High School of a drive for over 35,000 coupons for a kidney machine.

A steering committee meeting will be held Wednesday evening at the home of Mrs. Haapala to consider proposed service projects.

The next open meeting will be held Monday evening, Feb. 9 with Thomas Neumann, guest speaker.

Glaciers in Washington contain enough ice to melt into 40 million acre-feet of water, as much as in all the reservoirs, lakes, and rivers in the State.

87-Year-Old Man Dies Of Exposure

CHAMPION — James C. Pollard, 87, was found dead outside his home on the Black River Road near Humboldt by a neighbor late Sunday morning.

State Police who investigated said Mr. Pollard, who lived alone, apparently became ill while taking care of livestock in a bar on his property and attempted to enter his house. He apparently was too ill to open the door and died of exposure.

It is believed that death took place sometime Sunday morning. He had been visited late Saturday afternoon by boys who put Mr. Pollard's cows back in the barn.

Augustana Fund Program Opened

Alumni and friends of Augustana College, Rock Island, Ill., attended a reception and dinner Monday night, Jan. 19, at the House of Ludington, Escanaba.

The event marked the launching of the Augustana Acceleration Program in the Escanaba area.

Conrad D. Beck, 720 S. 13th St., Escanaba, chairman of the area campaign, presided at the dinner. He said that Escanaba is the 73rd regional campaign to be conducted throughout the nation.

Augustana, 110-year-old liberal arts college, is seeking to raise \$3.1 million in private funds through a nation-wide acceleration program. The campaign has already exceeded the

initial goal of \$2.9 million, but the college has now increased the objective to \$3.1 million to allow for mounting construction costs.

The funds raised are designated for three major building projects — a new planetarium-observatory, a new physical education center, and expansion and remodeling of the college library.

John L. Kindschuh, vice president for administration at Augustana, was the principal speaker at the Escanaba kickoff dinner. Additional remarks were made by Ralph B. K. Peterson, 624 Lake Shore Drive, Escanaba, a member of the Escanaba committee.

Other committee members include Dr. and Mrs. Ronald S.

U.P. Area Plans Law Unification

ST. IGNACE — Michigan's Mackinac County is studying a plan to combine the facilities of its sheriff's department and various city police departments.

Under the proposed merger the police departments of St. Ignace and Mackinac Island, together with several township police units and the sheriff's department, would operate as a single unit for greater efficiency.

Carlson, 1304 Lake Shore Drive, Gladstone; Mr. and Mrs. G. A. Setterlund, 1223 S. 12th St., Escanaba; Miss Gladys L. Swanson, 1129 Stephenson Ave., Escanaba, and Mrs. Ralph B. K. Peterson.

Legion To Host State Officers

Cloverland Post No. 82, the American Legion and Auxiliary will host state officers who are on tour of the Upper Peninsula, on their one-night stop in Escanaba, Monday, Jan. 26, at the Legion Club, 928 N. Lincoln Road.

There will be a social hour at 6 and the ladies of the Auxiliary will serve dinner at 7 o'clock.

Commander John Carlson expects members to turn out to welcome the state commander of the Legion, state president of the Auxiliary and others on the tour who will have a message to Legionnaires and Auxiliaries.

Reservations should be made early by calling C. Elmer Olson at 786-5654.

Birnback Named Airlines Officer

William G. Birnback has been appointed cargo sales manager for Irish International Airlines in North America, and will operate out of the carrier's North American headquarters at 564 Fifth Avenue, New York. He will be responsible for the cargo sales development for the carrier in both the United States and Canada.

Birnback has had a long and experienced career in the airline industry. He is a native of Buffalo, New York and holds a bachelor of science in aeronautics from Parks College of St. Louis University. He is a major in the U. S. Air Force Reserve.

He is married to the former Miss Lorraine Kleiman of Wilson. The Birnbacks have a daughter and two sons and reside in Bethpage, New York.

Girl Scouts Elect Officers

Girl Scout Troop 68 met Thursday at St. Patrick's Hall and the following officers were elected for the year: Susan Daignault, scribe; Laura Cook, treasurer; Sue Schneider, Lori Barron and Julie Cloutier, patrol leaders; Denise King, Janet Ryan and Sandy St. Vincent, assistant patrol leaders.

Plans for a sleigh-ride were discussed and badge work was assigned. Mrs. Leon Duquette and Mrs. John Ryan, assistant leaders, were in charge of the meeting.

U.P. Fireman On Asks New Trial

MENOMINEE — Circuit Judge Ernest W. Brown will hear arguments here Tuesday on a motion for a new trial filed by a Menominee fireman convicted by a jury of arson.

Defense Atty. Charles Victor claims the court erred in allowing the jury to take certain evidence to the jury room.

Robert Becker, 22, a Menominee fireman for three years, was convicted of burning his 1969 automobile and filing a claim to collect insurance benefits.

Rock

The Rock Faith Lutheran Church is sponsoring a smorgasbord Sunday, Jan. 25 in the church parlors from 5-7 p. m. The public is welcome. A free will donation will be accepted for the meal.

Mrs. Ben Forsberg of Ishpeming suffered a heart attack while visiting the Francis Trombly family. She was taken to St. Francis Hospital early Sunday with the Rock Community Ambulance. She is Mrs. Trombly's sister-in-law.
